BAR GAMES ON ANOTHER LEVEL

ELECTRONIC DARTS

Darts with style. Each board comes loaded with 7 different games, perfect for every level and occasion.

From the classic 501, to knockout games that keep the craic high and competition fierce. Our state-of-the-art tech does the scoring for you, so you can concentrate on the important things - like hitting the board.

ELECTRONIC SHUFFLEBOARD

A game of accuracy where you shuffle your puck to score points!

Keep it classic or turn up the intensity with games like Conquer where you battle to capture your opponents puck zone. It couldn't be easier to get started.

POOL TABLE

Grab a cold drink at the bar and warm up your hand-eye skills on our pool table ahead of a night of electronic darts & shuffleboard.

PRIVATE KARAOKE BOOTH

Who doesn't enjoy belting out the classics with their colleagues or clients? Our private karaoke booth fits up to 15 people, and with the legendary King's Hall just a stone's throw away, it's a perfect place to channel your stage persona.
